STEP 1

The image shows a smartphone screen with a white background. At the top, there is a navigation bar with a black 'X' icon on the left, signal strength, battery level at 86%, and a battery icon. Below the navigation bar, the text "What type of entertainer are you?" is displayed in bold black font, followed by the instruction "Select all that apply". The screen is divided into a grid of 10 rounded rectangular buttons, each containing an icon and a label. The buttons are arranged in two columns of five. The first column contains: "DJ" with a DJ icon, "Band" with a band icon, "Magician" with a magician icon, "Dancer" with a dancer icon, and "Emcee/MC" with a megaphone icon. The second column contains: "Musician" with a musical note icon, "Singer/Vocalist" with a microphone icon, "Comedian" with a smiling face icon, "Clown" with a clown icon, and "Other" with three dots icon. At the bottom of the screen is a large, rounded rectangular button labeled "Continue".

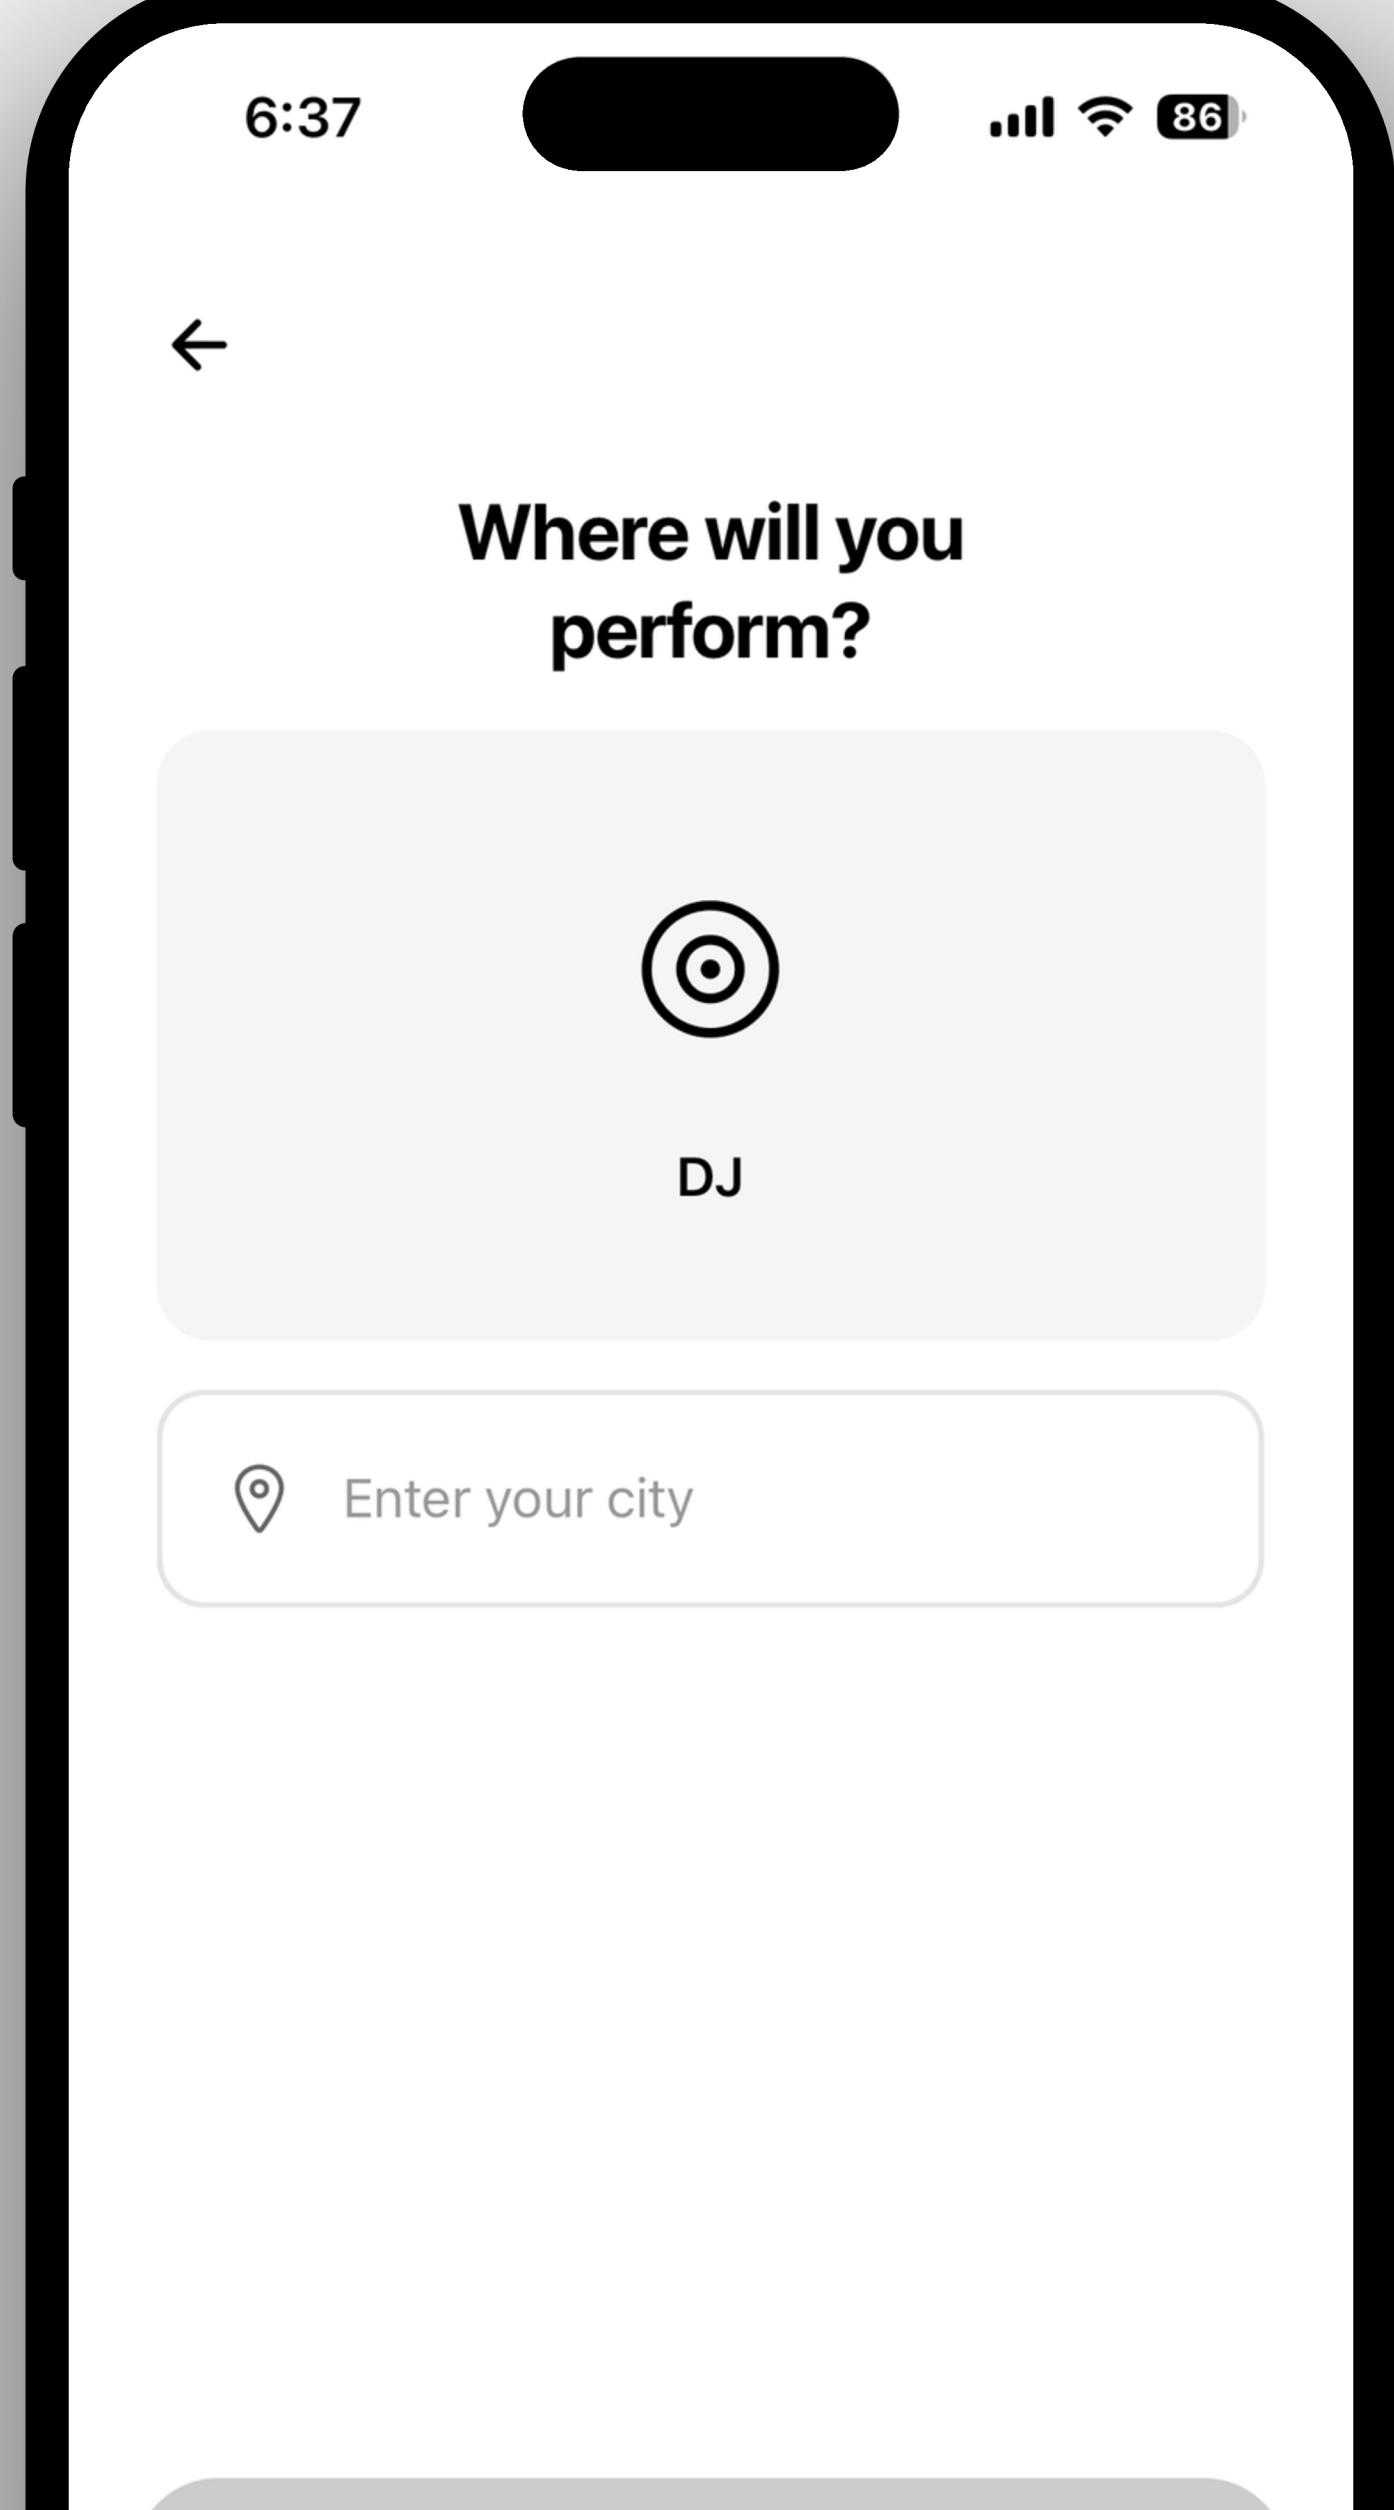

## WHAT TYPE OF ENTERTAINER ARE YOU?

Choose the categories that best describe your act so hosts can find you for the right events. You can create separate listings for different packages—for example, wedding DJ services with different pricing than bar or club events.

**EVENTINI**

STEP 2

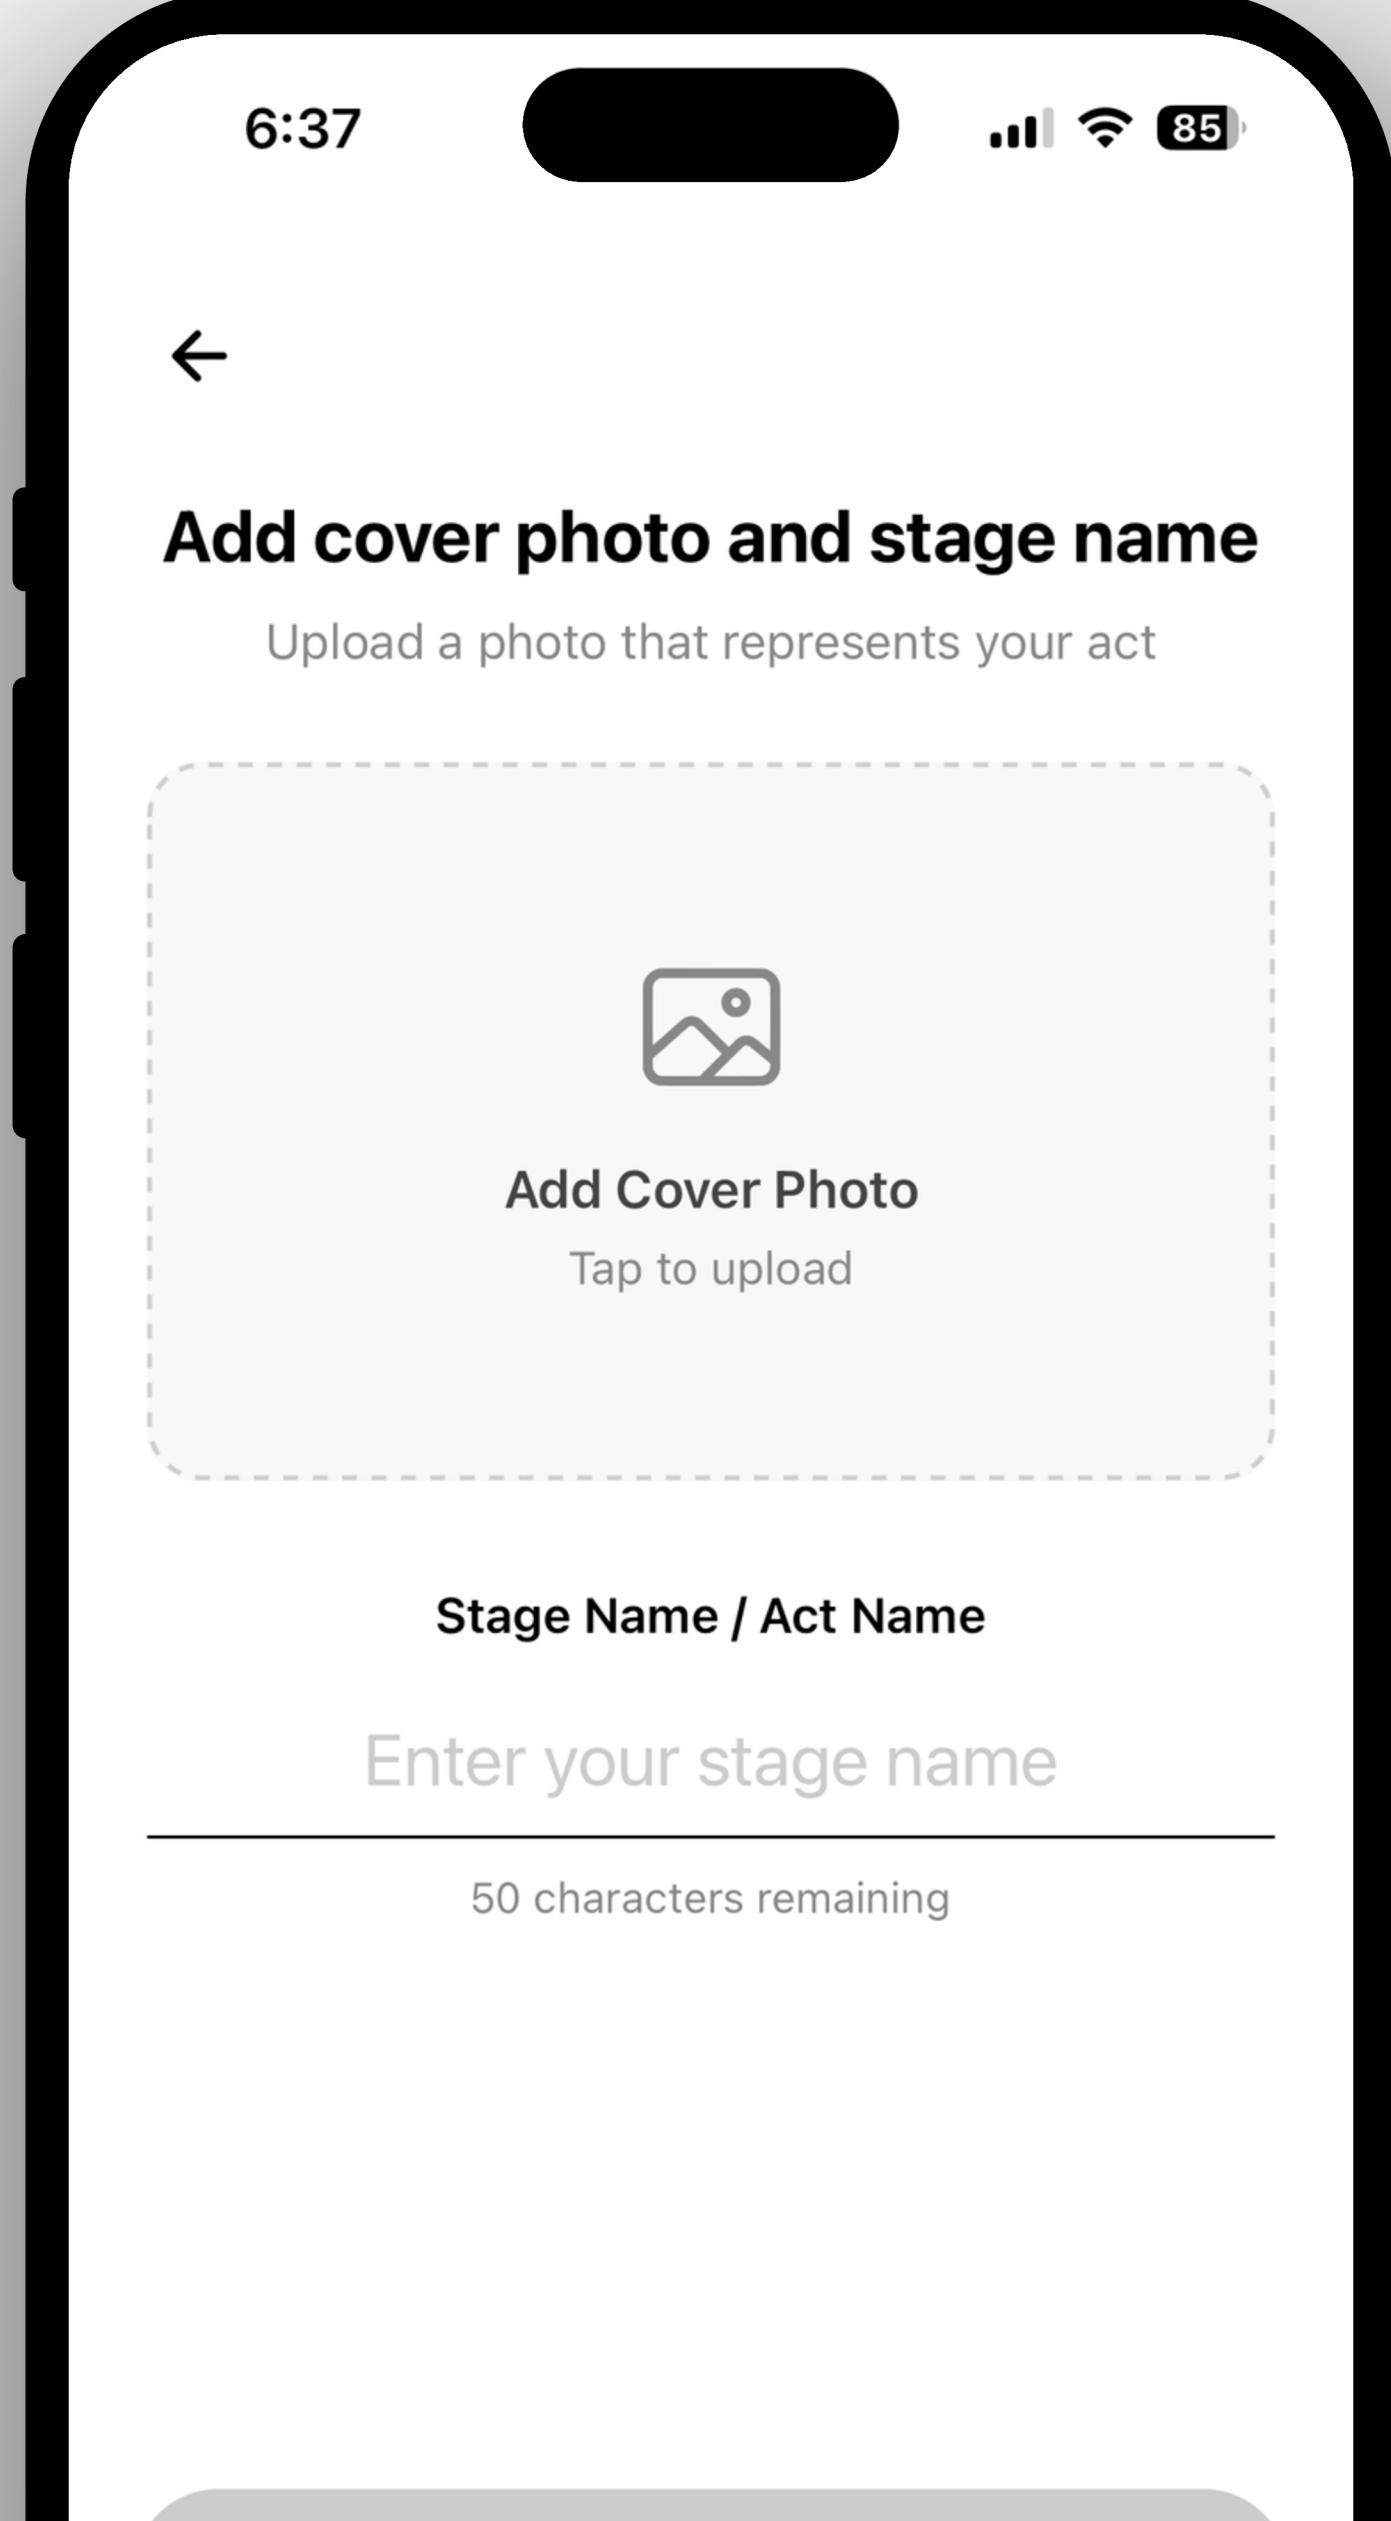

## WHERE WILL YOU PERFORM?

Tell us where you're based so hosts can book you with confidence. Enter your primary city — travel details can be added later.

STEP 3

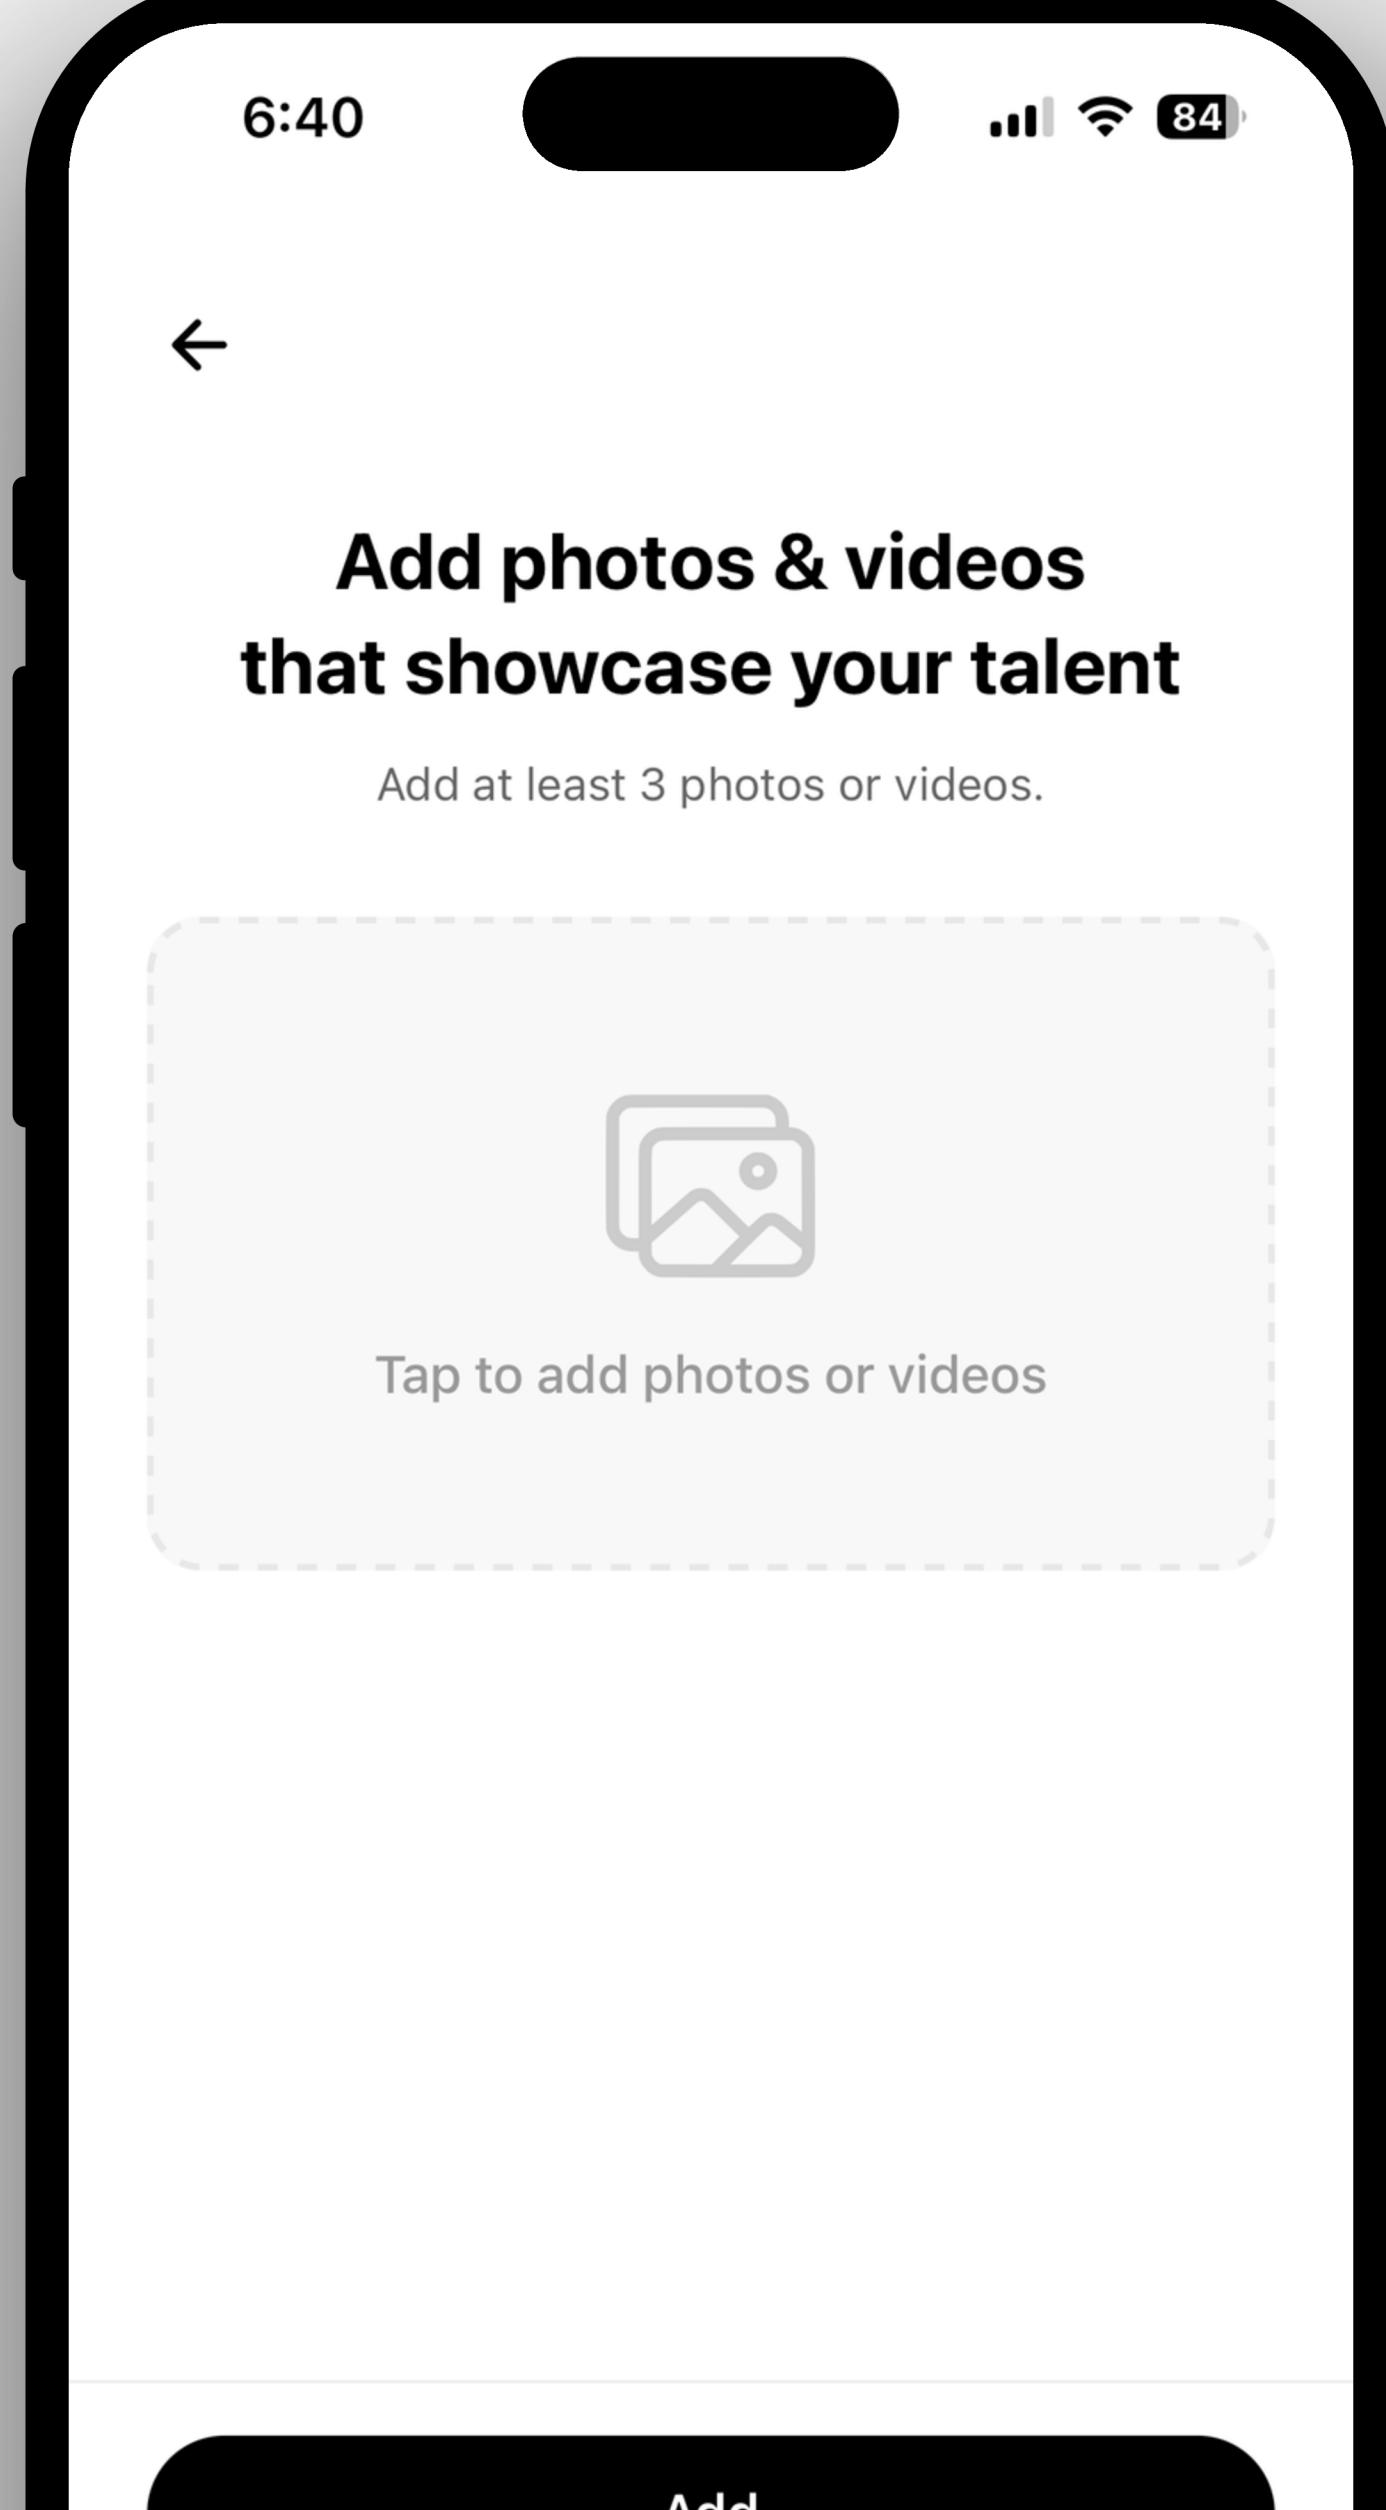

## ADD COVER PHOTO AND STAGE NAME

Upload a photo that represents your act and enter your stage or act name. This is what hosts see first when viewing your profile.

**EVENTINI**

STEP 4

## **ADD PHOTOS & VIDEOS THAT SHOWCASE YOUR TALENT**

Upload at least 3 photos or videos that highlight your performance, setup, or crowd interaction. Start with photos first, then add videos. Allow a moment for each upload to fully load—strong visuals help you get booked faster.

STEP 5

A smartphone screen displays the "Share your music" step of a process. The screen has a light gray background with a black border. At the top, it shows the time as 6:44 and battery level at 83%. A back arrow is located on the left side. The main title "Share your music" is centered in bold black text. Below the title, there is descriptive text: "Upload audio samples so clients can hear your sound." and "Add up to 5 tracks (optional.)". A large dashed rectangular area contains a musical note icon inside a circle. Below this icon, the text "Add Audio Samples" is displayed, followed by "MP3, WAV, or other audio files". A callout bubble with an information icon provides a tip: "Audio samples help clients understand your style and sound. This step is optional but highly recommended." At the bottom of the screen is a large, rounded rectangular button labeled "Add Audio". Below this button is a link labeled "Skip for now".

## SHARE YOUR MUSIC (OPTIONAL)

Upload audio samples so clients can hear your sound.  
This step is optional but highly recommended to stand out.

STEP 6

The image shows a smartphone screen displaying the 'Performance Details' section of the Eventini app. The phone has a black border and a white background. At the top, there's a navigation bar with a back arrow, a circular progress indicator, and a 'Next' button. The main content area is titled 'Performance Details' with the subtitle 'Tell us about your performances'. Below this, there are five sections, each with a plus sign and a title, followed by a placeholder text and a right-pointing arrow: 'Years Performing' (Add your experience level), 'Typical Set Duration' (Add your set duration), 'Setup Time Required' (Add your setup time), 'Sound/Amplification' (Add your sound setup), and 'Music Genres' (Add your music genres). At the bottom of the screen, there's a large 'Next' button.

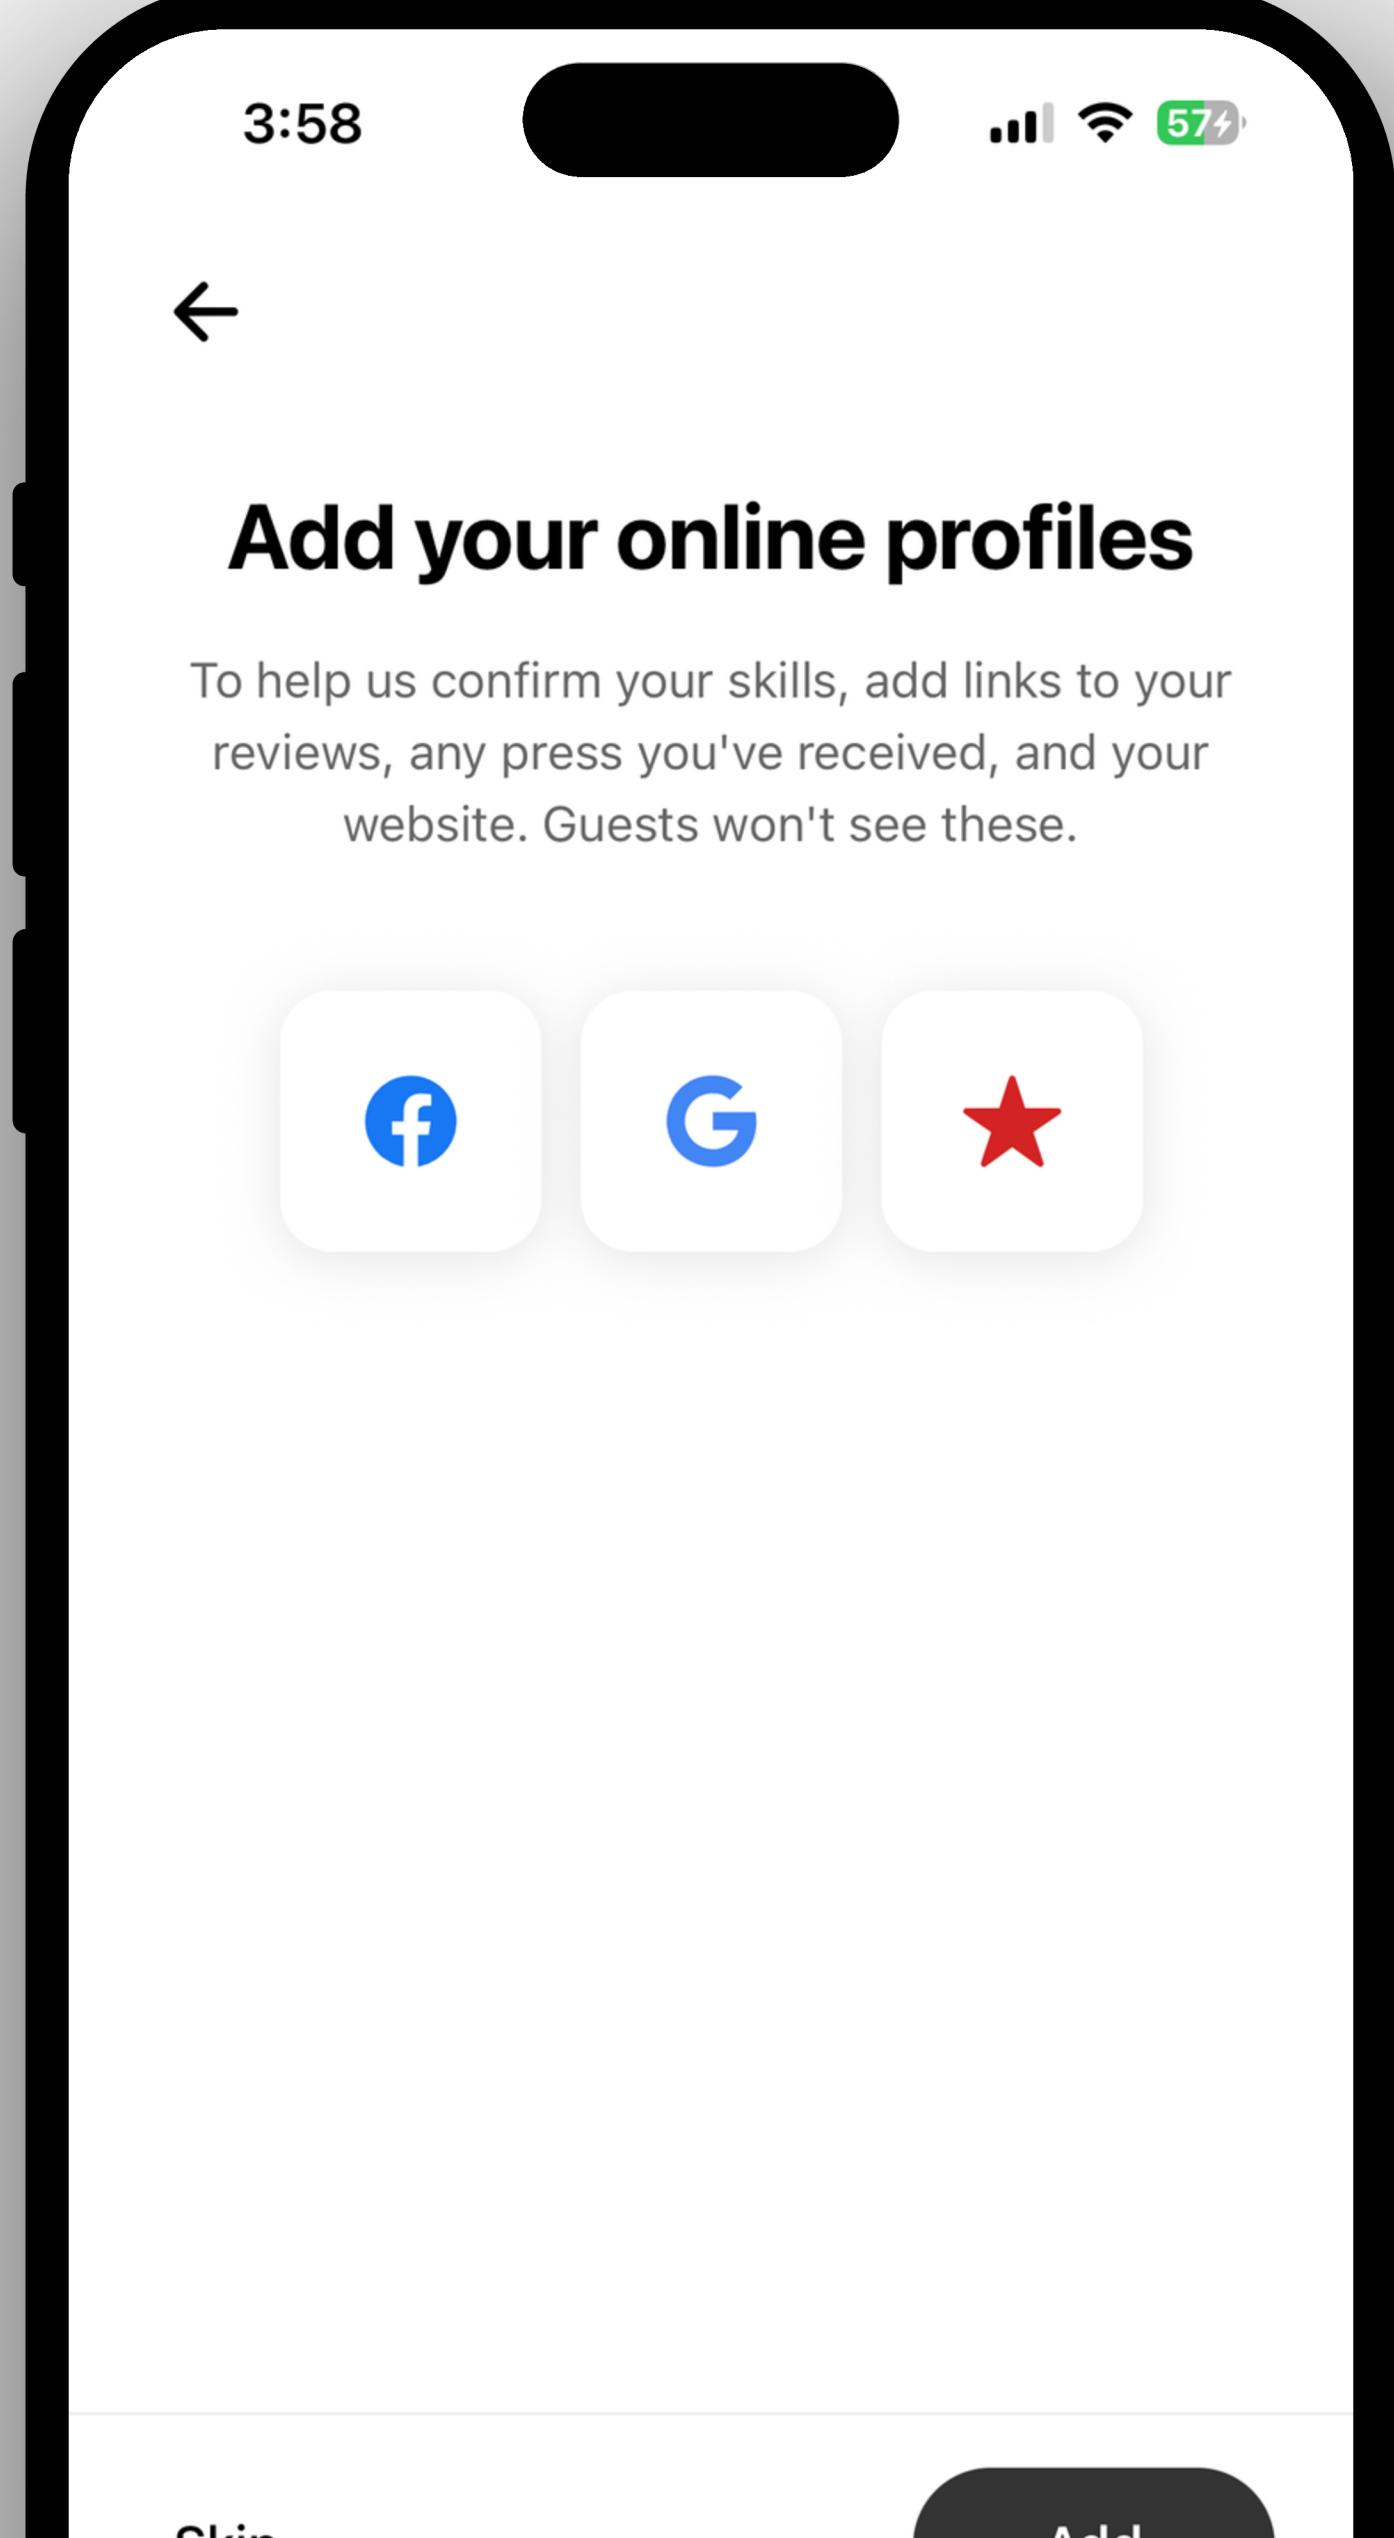

## PERFORMANCE DETAILS

Share key details about your experience and setup so hosts know what to expect and events run smoothly. Include how many years you've been performing, your typical set duration, setup time required, sound or amplification needs, and the music genres you play. Clear details lead to better matches and smoother bookings.

STEP 9

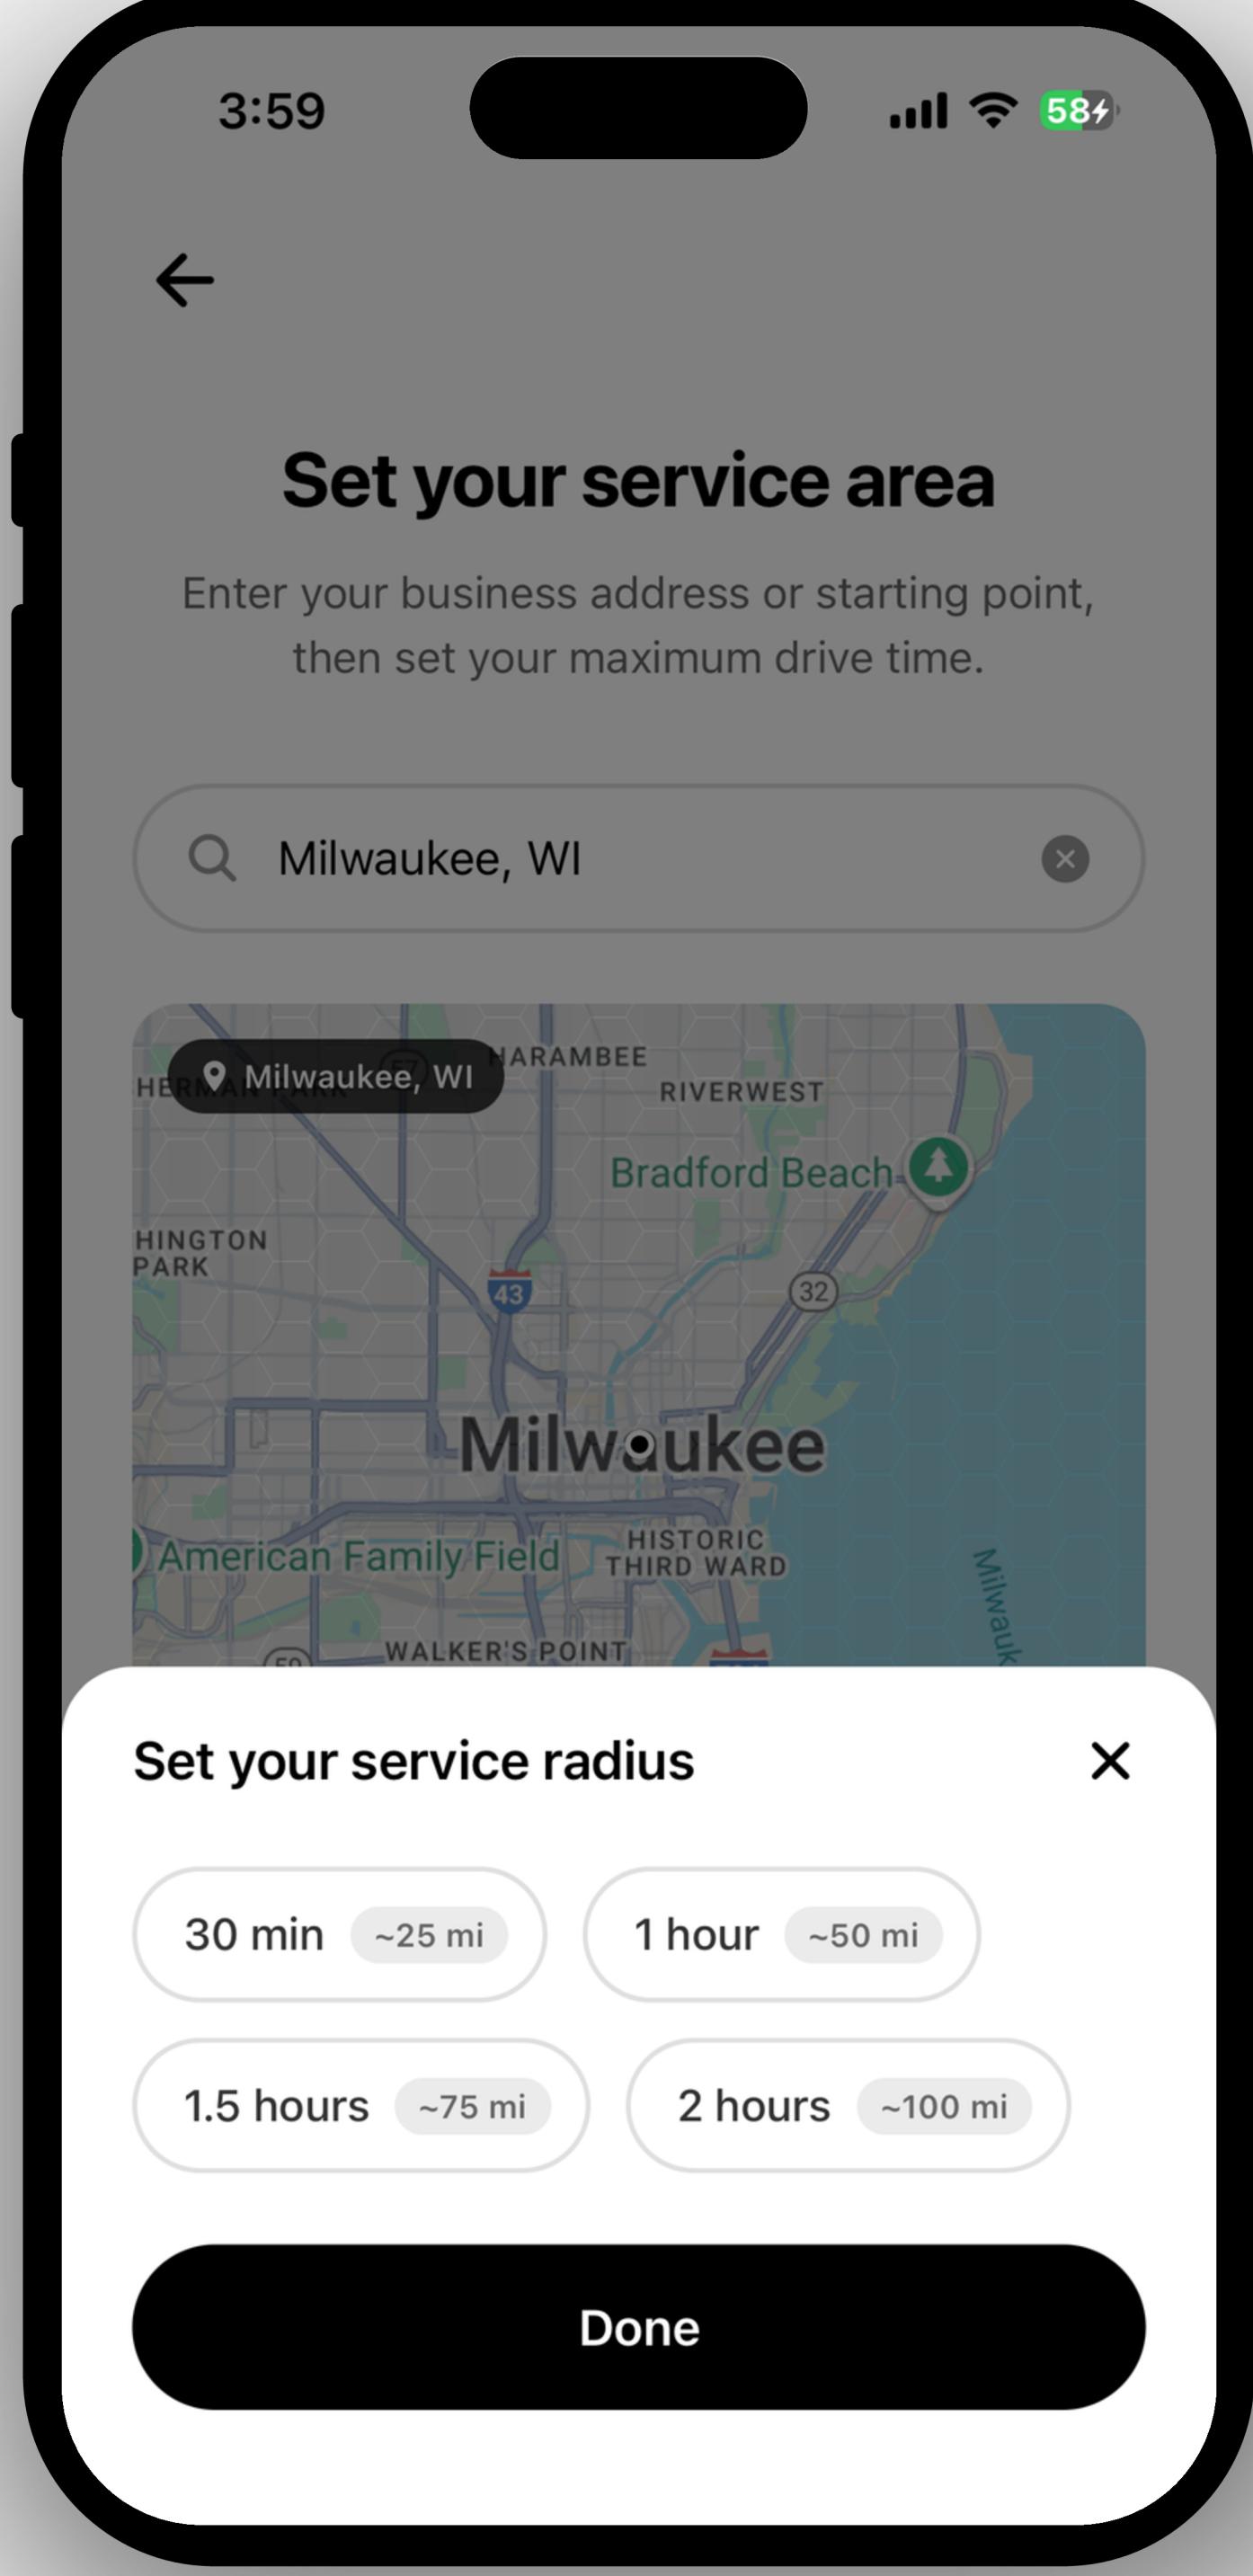

## SET YOUR SERVICE AREA

Choose your starting location and select how far you're willing to travel. This ensures you're only shown events that fit your operating range.

STEP 10

## SERVICE RADIUS

Select your maximum drive time to define your service radius. This helps match you with nearby events and avoids long-distance bookings you don't want.

STEP 11

A smartphone mockup displays the 'Tell us about your flexibility' screen. The phone has a black border and a white background. At the top, it shows the time 6:47, signal strength, Wi-Fi, and battery level at 82%. A back arrow is on the left side of the screen. The main title 'Tell us about your flexibility' is centered in bold black text. Below it, a subtitle reads: 'Help us match you with the right hosts by answering a few questions about your preferences.' Two rounded rectangular callout boxes are shown. The first, titled 'Community Impact' with a heart icon, says 'Your flexibility for nonprofits and charitable events'. The second, titled 'Better Matches' with a star icon, says 'Connect with events that align with your values'. At the bottom is a large, dark grey 'Begin' button.

## TELL US ABOUT YOUR FLEXIBILITY

Help us match you with the right hosts by sharing your preferences.

STEP 12

The image shows a smartphone displaying a mobile application interface. The top status bar indicates the time is 6:47 and the battery level is at 82%. The app's header reads "DNA Profile" with a back arrow. Below the header, there is a circular icon with a heart symbol and the text "Community Impact". The main content area is titled "Artist DNA" and displays "Question 1 of 2". A question card asks, "Would you reduce your performance fee for nonprofit/charity events?", with "No" and "Yes" buttons. A slider for "Discount Amount" is set to 20%, with 5% and 50% marked on either side. At the bottom of the screen is a large, rounded rectangular button labeled "Next Question".

## COMMUNITY IMPACT

Would you reduce your performance fee for nonprofit or charity events? If yes, choose a discount that works for you. This never obligates you to accept a booking.

# EVENTINI

STEP 13

The image shows a smartphone displaying a mobile application interface. The top status bar indicates the time is 6:48, there is full signal strength, and the battery level is at 82%. The app's header reads "DNA Profile". Below the header, a section titled "Community Impact" is shown with a heart icon. The main content area is titled "Artist DNA" and "Question 2 of 2". A central question is displayed in a rounded rectangle: "Would you waive your performance fee entirely for certain causes?". Two buttons, "No" and "Yes", are available for selection. At the bottom of the screen is a large, rounded "Complete" button.

## BETTER MATCHES

These settings open up opportunities with organizations that have tighter budgets by allowing flexible booking options such as busking. This helps you connect with events that still offer strong exposure and worthwhile opportunities while fitting your availability and preferences.

STEP 15

The smartphone screen displays the 'Compensation & Policies' section. At the top, there is a circular icon containing a money bag icon. Below it, the title 'Compensation & Policies' is shown in bold, followed by the subtitle 'Set your fees and cancellation terms'. There are four expandable sections: 'Performance Fee' (with 'Enter your fee' placeholder), 'Fee Structure Details' (with 'Select fee structure' placeholder), 'Deposit Terms' (with 'Select deposit amount' placeholder), and 'Cancellation Policy' (with 'Select cancellation policy' placeholder). Each section has a right-pointing arrow indicating further configuration. At the bottom of the screen is a large, rounded rectangular button labeled 'Next'.

## COMPENSATION & POLICIES

Set clear pricing and expectations so bookings run smoothly. Add your performance fee, choose how your pricing is structured, define deposit terms, and set a cancellation policy. Clear policies help protect your time, reduce back-and-forth, and build trust with hosts before confirming a booking.

STEP 16

The smartphone screen displays the 'Review Listing' page for 'MKE Band'. At the top, there is a navigation bar with a back arrow and the text 'Review Listing'. Below the navigation bar, there is a grid of three media items: a red photo of a person playing a guitar, a central photo of a band performing (labeled 'LA LOM'), and a yellow photo of a truck. The central photo has the caption 'Uploaded by H.B.' and the handle '@cactusclubmke'. Below the media grid, the band's name 'MKE Band' is displayed, followed by 'DJ'. Under the heading 'YOUR LISTING DETAILS', there are three sections: 'Artist/Stage Name' (MKE Band), 'Photos & Media' (6 media items uploaded), and 'Entertainer Type' (DJ). A large black button at the bottom of the screen says 'Link Account G'. At the very bottom, a note states: 'By submitting, I agree to the [Services terms](#) and attest all details are accurate.'

## LINK YOUR GOOGLE ACCOUNT

Connect your Google account to verify your profile and make it easier for hosts to trust and book you. Linking your account helps pull in business details, strengthens credibility, and allows Eventini to streamline bookings and payouts.
